In forwarding herewith the file of correspondence ending with the President's report No H C 118/45-46 dated 26th June 1946, I have the honour to state that Government in their order No L 10120-34 Ml 69-45-5 dated 30-3-46 sanctioned a sum of Rs 3500/- for Drinage and other Town Improvements works as noted in the margin* for the year 1945-46

Drains	Rs 1000	When the subject was
Improvement to Jain street	Rs 2500	placed before the Council,
Improvement to Boregowda Street		there were protests from
Total	Rs 3500	certain councillers that

while certain works which the council had passed to be taken up in their meeting held on 24-12-45 were pending execution, these works for which their consent had not been obtained could not be taken up

It is said that the previous recommendation was made by the Vice President on his own responsibility without the fact being brought either to the President's notice or placed before the Council owing to urgency It was represented to me also during my inspection of the Municipal Office The question therefore, is, how best the grant sanctioned could be utilised with due regard to urgency and necessity, and the President was instructed by me to decide this question after personal inspection with Councillers, and make recommendations The President having done this has

now

now reported with the Resolution of the Council that the funds may be applied for the works selected by the Council as embodied in their resolution dated 24-6-46 passed unanimously Copy of resolution is enclosed
